GENERAL INFORMATION ABOUT OUR RIDES

Times below are a guideline to all rides, except the November ride.

9:00am...Registration...People pre-registered still must check in.

9:45am...Trail Masters instructions...marker colors, obstacles, etc.

10:00am..Ride out

You are not required to stay behind the trail master or particular group. Ride at your own pace and enjoy, however, it has been noted that confusion over trail directions, markers etc, may have occurred when riders arrive late and do not receive the benefits of the pre-ride instructions. So, PLEASE come early enough to hear those instructions and be prepared to ride out with the group at 10:00am SHARP!

S.M.A.R.T. reserves the right to refuse a horse for participating in a club function should the animal represents danger to people or other horses. No one cares to admit their horse might kick. But please be responsible, and if the "business" end of your horse should be avoided, use the appropriate colored ribbon (yellow/stallion, red for.. well you know!)

S.M.A.R.T. rides are "RAIN OR SHINE". It is very rare that a ride would be cancelled, but if there are any questions call the "contact phone number" on the ride notice or from list above

CONTACT PEOPLE WILL NOT ACCEPT YOUR REGISTRATIONS OVER THE PHONE!

Contact numbers are for the ride conditions and directions only. Remember, S.M.A.R.T. membership gives you a \$5.00 discount on each our rides after you have joined. Renewal Membership dues must be paid on or before June 1, 2015 or that person will be considered a "new member" and will be charged the "new member rate". We will not allow registrations to be done via e-mail
