**We are gearing up for our 30<sup>th</sup> season of organized trail rides. The schedule has been arranged. Our first ride of the year will be May 19<sup>th</sup> and will be held at Branch Hill Farm. The June ride will be our Annual overnight ride and will be held in Gilmanton N.H. . on June 15<sup>th</sup> & 16<sup>th</sup> .There will be no July or August Ride this year, followed by the September ride in beautiful Gorham Maine on Sept 22<sup>nd</sup>, The October 20th ride location is still tentative. And we will end the season with our favorite ride, The "TURKEY TROT" to be held November 3<sup>rd</sup> in South Berwick Maine.**

**Those of you that have ridden with us in the past know that in addition to the beautiful and challenging trails, We also offer some great meals! You are also familiar with the type of terrain that we cover, But for "newcomers" we offer guidelines...Ordinarily are approximately 12-20 miles in length. Most rides have short and long loops! The first ride of the season tends to be shorter to facilitate "conditioning". Our rides are "pleasure Rides" and welcome all levels of riders, however, please realize that as the season progresses the terrain and the obstacles tend to become more challenging. The rule of thumb is check with the contact people should you have any questions.**
